

Physician Caregiver: *Lance Wehrle, DO*

Dr. Werhle is a kind, excellent listener who genuinely cares about his patients. He never rushes them out of the room if they really need to talk, and if he passes a patient in hall he will always take a minute to ask how they are doing. He's an exceptional doctor who takes the time to get to know his patients as people.

Nurse Caregiver: *Jane Shradley*

When it comes to caring about a patient’s needs, Jane is No. 1. She shows intensity and passion while treating and caring for residents, and she is one of the best advocates for patients because she takes their health very seriously. She always ensures the best care is provided and works closely with the family members of patients to address any questions they may have.

Everyone's a Caregiver: *Sandra Aguirre*

Sandra is always one of the first to jump in and help out regardless of the circumstances or needs. She truly wants what's best for all patients. Whether it is performing a stat EKG or simply getting a patient a warm blanket or something to drink, she can put a patient at ease with her compassionate care. She is gracious, humble, highly skilled, and always open to teaching other staff and family.
